Description

Adorable oil on canvas from the 18th century, representing a country lunch gathering in the setting of a park, a group of young aristocrats probably returning from a hunting party. This brilliant assembly is the pretext for an artist in the movement of Jean-François de TROY, to invite us to discover a multitude of details such as the crockery and the service pieces, shimmering fabrics, with characters in varied and charming attitudes. The colors are very beautiful, and the quality of the composition as well as its execution must allow the attribution of this work to a good artist. Canvas in perfect condition, presented in a Regency style frame in gilded wood. Frame dimensions: 46 X 40 cm Canvas dimensions: 31 X 25 cm
