Description
-------------

Porcelain service with LADY AND THE UNICORN decor, by Porcelaines DESHOULIERES including a very beautiful series of 12 dessert plates, 12 coffee cups with their saucers and a small rectangular serving dish, all in their original boxes. Very carefully made: Limoges Porcelain, very white and resistant. An original and high-class decor: extracts from a medieval tapestry, The Lady and the Unicorn, whose subjects are the 5 senses: taste, smell, hearing, touch, sight and a sixth... desire. The finesse and delicacy of these patterns make these elements a true enchantment when used. A very nice gift to offer, full of sweetness and serenity. Creation and production by Porcelaines DESHOULIERES (France) Dimensions: diameter: 22 cm Maintenance: these plates are
