Description

Large bust in patinated bronze plaster
ESCVLAPUS god of medicine Late 19th
Century. Aesculapius, which is the name in
French of the Greek god, in Latin Aesculapius) is
in the Homeric epic a Thessalian hero then, in the
classical period, the Greco-Roman god of
medicine. Son of Apollo, he died struck down by
Zeus for having resurrected the dead, before
being placed in the sky in the form of the
constellation of Serpentarius
