Description

France / 1820 / cabinet / pine wood / French / Rustic

Charming French rustic cabinet in pine wood with beautiful patina and old layers of white and burgundy shaded paint. This primitive designed hand crafted cabinet has one large door with a wooden lock (no key available). Behind the sturdy door you'll find a large compartment with two shelves. The composition of colors and its rough antique finish reveals the beautiful details of this piece.

This decorative Parisian cabinet adds a rustic romantic touch to your interior while offering plenty of storage space.
