Description

Superb and elegant drawing representing a giraffe and its calf made by Raymond Gabriel Lambert better known under the pseudonym of RAYLAMBERT (1889-1967). This French artist attended the School of Fine Arts, participated in numerous competitions and even won the prize of the city of Rouen. He participated in the Salon of French artists and obtained a gold medal in 1909, in Paris he made drawings at the Vincennes zoo, Jardin des Plantes and collaborated on works as an illustrator. The representation of his 2 giraffes is of great realism, signed lower right and presented in a contemporary frame.
