Brass Snuffbox, 18th Century

290 EUR

Period : 18th century

Condition : Etat d'usage

Material : Brass

Length : 16cm

Width : 5cm

Height : 3cm

Description

Dutch brass snuffbox decorated with engravings and texts. Classic, this snuffbox amuses with its engravings and a text in Flemish that only the Dutch will understand... the subtlety of the legends escapes me but the inventiveness of the themes shows the talent of a beautiful folk art. There is a small defect to the hinge which however works, and wear on the bottom due to use but the general condition is well preserved. Period 18th century.
