Description

Belgium / 16th Century / cabinet / oak / Antique / Rustic

Primitive Antique cabinet in full oak. Hand crafted and carved in the 16th Century in Belgium. Crafted from blond solid oak wood with a warm natural finish with a rich patina from years of use. We had this piece professionally restored.

This piece features sled legs, carved wooden frames with primitive geometric patterns and original hinges. Behind the single sturdy door you'll find one shelf and above a drawer.

Its compact size makes it versatile enough to fit in tight spaces like hallways but with its decorative
