

## 19th Century Bressan Enamel Box

350 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

### Description

Small 19th century box in Bressan enamels, gilded mount. The scalloped lid is decorated with a scene representing 2 children playing in a wooded landscape surrounded by white and turquoise enameled pearls. On the lower part of the box we find the same decoration and the reverse is centered with a gold cross motif. Very good general condition apart from some enamel missing on some pearls around the edge. D: 6cm  
H: 2.5cm
