Description

This beautiful polychrome terracotta group depicts Mary seated, holding the naked Child on her left knee with her two soothing hands. Her very gentle face is surrounded by a veil falling over her shoulders. She is wearing a dress belted under her chest and a cloak with hems that fall to the front of her knees, forming deep, harmonious folds. The mischievous Infant Jesus displays a slight smile on his doll-like face. Christ's nudity is covered by a simple, barely perceptible veil. This lovely Marian representation rests on clouds decorated with three cherub heads. Dimensions : H. 27 cm x W. 12 cm x D. 10
