### Description

In keeping with tradition, this magnificent tapestry has undergone a thorough cleaning, the installation of a hand-sewn linen lining, and a careful inspection by our experts at the Galerie Lissier Artisan Workshop. It is now ready to adorn your home. The tapestry presented is a work of textile art of great beauty, evoking a lush forest landscape. It is from the Aubusson Manufactory, renowned for its craftsmanship and finesse. The main motif is a dense forest, with large trees with imposing trunks and foliage of a deep and varied blue, ranging from navy blue to light blue, creating an effect of depth and light. The details of the leaves and branches are rendered with great precision, giving an impression of realism. In the center, we can make out a path or a clearing, illuminated by a brighter

light, suggesting a perspective and inviting the gaze to delve deeper into the landscape. Lower vegetation elements, such as grasses and plants, are depicted in the foreground, adding to the richness of the composition. The dominant colors are shades of blue and white, creating an atmosphere that is both serene and mysterious. The choice of these colors, combined with the weaving technique, gives the tapestry a remarkable texture and visual richness. The dark blue frame surrounding the scene highlights the central motif and frames the work, highlighting its decorative and artistic character. This tapestry could adorn a wall and bring a touch of elegance and nature to an interior, testifying to high-quality craftsmanship.
