Description

We are offering for sale together these four shaped pieces, three pitchers plus a sugar bowl in English earthenware that were made in the United Kingdom but in the Jersey Islands, very fashionable in the 70s when I started. At first a pitcher was sold for 1000 Francs (150 Euros) 55 years ago and it sold like hotcakes, my God how times have changed. We are selling these four pieces in perfect condition. Shipping extra.
