

## Florentine Red And Ivory Wooden Six-light Chandelier 1970s

900 EUR

Period : 20th century

Condition : Bon état

Material : Painted wood

Diameter : 70

Height : 65

### Description

Florentine lacquered wooden chandelier with a central stem made of carved wood with a hexagonal cross-section and lacquered in ivory and red tones; the six arms are made of iron with a square cross-section and a rust-coloured finish. The chandelier is in working order, rewired and ready to be hung. The chandelier dates from around 1970, is of Tuscan manufacture and in good condition. The lacquer wear was originally made for antiques.
