

18th Century Copper Tabletop Charcoal Burner

230 EUR

Period : 18th century

Condition : Très bon état

Diameter : 20 cm (réservoir braises)

Height : 16 cm (dessus des pattes)

Depth : 4 cm

Description

Tabletop charcoal stove. Presented on 4 bronze scrolled legs. Engraved border (partly worn by time) mounted on wrought iron stiffener. The handle is made of turned and original boxwood, fixed by a wrought iron support riveted to the copper. The bottom of the stove receiving the embers is openwork allowing the ash to be evacuated at the bottom.
