Description

- Oil on canvas.- The technical excellence of centuries of artistic hybridization and the survival of traditional technical systems allow Andean painters today to create the same scenes they did three hundred years ago with the same spirit of ingenuity and creative freshness. In this depiction of the secular patron saint of Quito, the painter exactly copies the original image, preserved in the viceregal cathedral of Ecuador's capital.- Unframed image dimensions: 120 x 80 cm / 130 x 90 cm with a magnificent gilt frame.- Montbaron Gallery includes a technical sheet prepared by a certified art historian with all its lots. This sheet is sent in digital format upon request.
