Description
-------------

Very pretty little sloping desk with floral marquetry decoration on the back of the flap and light wood fillet on the band and sides. It opens with a flap whose interior is covered with recently changed green leather. The theater is composed of a row of two drawers topped with a transverse storage niche. A small pull allows you to push back a sliding shelf, releasing a large secret compartment. This secretary rests on four curved legs, the two front legs are decorated with gilded bronze scraps and finished with sabots. The upper shelf of this piece of furniture is decorated with an openwork bronze gallery. Very beautiful manufacture from the end of the 19th, beginning of the 20th century.
