Description

Murano glass and brass chandelier by Ercole Bavorier & Toso, hand-blown. 1 light. Price: 1900 euros Dimensions: Height 70 cm Width 40 cm Circa: 1940 Artist: Ercole Barovier was born on Murano, an island near Venice, in 1889. He began working in his family's glass workshop at the age of 20 and quickly developed exceptional skills in glass design and production. He worked with many renowned artists and designers during his career, including Gio Ponti, Carlo Scarpa, and Fulvio Bianconi. Barovier was the head of the Barovier & Toso company, founded in 1936, which became one of the most important Murano glass production companies. He was also a pioneer in the use of new techniques and technologies to produce unique and innovative glass pieces. He was notably the first to use
