Description

This stunning column, crafted in Italy during the last decades of the 20th century, is a true testament to artistry and craftsmanship. Made from solid oak wood, it features an intricately turned body that highlights the beauty of the material. The four decorative curls not only support the upper surface but also add an elegant touch to its design, making it a remarkable piece. The glossy finish of the wood enhances the natural grain, showcasing the rich texture and color of the oak. This column serves as an ideal pedestal for displaying a variety of objects, whether it be a marble or bronze sculpture, a collectible ceramic piece, or a vibrant vase filled with flowers. With upper support surface dimensions of 16 cm x 16 cm (6.29 inches x 6.29 inches), it offers ample space for your prized
