Description

We offer a special frame of great quality and rare to find. It is a Piedmontese frame made between the 17th and 18th centuries, finely carved and gilded, in addition, beautiful original mercury glasses have been applied to the internal "cassette" part. This type of unconventional frame was produced in Northern Italy, from Piedmont to the Venetian lagoon. The frame is in excellent condition.Its measurements are: Internal light 57cm x 77cm, External measurements 77cm x 97cm.We attach a certificate of authenticity to the sale.
