Description

Very elegant Louis XV style mirror in wood and gilded stucco. This is a mirror with a fairly sober ornamentation but whose curved shapes of the clasps, curves and counter-curves of acanthus leaves and sinuous and asymmetrical pediment, highlight it perfectly. The original mirror is beveled. Very beautiful original gilding, very fresh and bright. Period late 19th century circa 1880. Delivery flat in a wooden crate on a pallet by carrier to the ground floor in front of your home, 280 euros in France, 600 euros in UE, and 1500 euros rest of the world
