Description

Surely one of the most beautiful Scandinavian furniture we have ever owned! Never before seen, this rosewood coffee table, attributed to Torbjørn Afdal, Norway, is oblong in shape with a grooved base and rim. Its condition is exceptional! Norwegian-made and dating from the 1960s, this table surprises with the perfect harmony of its curves, its atypical groove work (found only at Torbjørn Afdal and Johannes ANDERSEN) and its extreme quality of workmanship. A choice piece not to be missed!
