Description

A
delightful small painting, framed in a
contemporary frame in carved and gilded
wood, depicting a lively genre scene. In the
background, an Italian garden
opens up to reveal two young women dressed in
elegant 18th-century clothes,
engaged in conversation. A young man, sitting on
a finely crafted marble
balustrade, attracts attention, while one of the two
damsels, with dark hair,
delicately holds his leg. The painting,
characterised by a harmonious play of
chiaroscuro, is of extraordinary workmanship and
capable of enriching any
environment with taste and elegance. It is
attributed to an anonymous painter
