Revolutionary Plate Of Islettes

60 EUR

Period : 19th century

Condition : Restauré

Material : Earthenware

Diameter : 23 cm

Description

Revolutionary Earthenware Plate from Les Islettes, 19th Century. Plate with a combed edge depicting a revolutionary rooster on a lightning bolt with outstretched, multi-colored wings. This plate has undergone repairs visible in the orange color taken by the enamel. See photos. Remains a decorative object for a modest sum.
