Description

Beautiful reproduction of an imposing fragment of a foot, a vestige most certainly of a colossal Greek statue now lost. For the record, it is interesting to note that the proportions of this foot respect the very precise artistic canons of the time. Perhaps it was discovered in the excavations of Herculaneum or Pompeii ? Wonderful patina of ancient marble. Material: resin and marble powder H: 45 cm, W: 65 cm, D: 55 cm For more information Click here to visit our website: www.galerie-martynoff.com
