

19th Century Camphor Wood Traveling Campaign Trunk

1 700 EUR

Period : 19th century

Condition : Très bon état

Material : Other

Width : 94

Height : 48

Depth : 47

Description

A large late 19th-century camphor wood brass-bound traveling campaign trunk with brass mounts and carrying handles. It features a warm, rich color and patina, suitable for use as a decorative coffee table. The early timbers exhibit a deep color and patination, making this trunk a rare find. It serves as a bold and decorative statement piece for a variety of interiors.
