Description

Painting, oil on canvas "Maria Vergine Bambina e Sant'Anna" - early 18th century Fascinating painting, oil on canvas depicting Maria Bambina in the arms of St. Anna. The canvas is with its original frame, in carved and silvered wood, enriched by a cymatium carved with leaf motifs. I find the oval shape to be always elegant. Painting of great quality, note the finesse of the hands. The state of conservation is good, considering the age; it is in the first canvas, it has a small hole on the canvas on the right side of Maria's dress (highlighted in the photo). Measurements: Cm. 110 x 75 - canvas cm. 76 x 62 Epoch: early 18th century
