Description

Signed Jacques Sitoleux for Christofle, this empty pocket is a creation with a double purpose, on the one hand it was the gift sent to the VIPs of the house to wish a happy new year 1982 but it was also a way to celebrate the 150 years of this goldsmith and this in his image with this tree of life reflected in a pond symbolizing the wisdom of longevity. Jacques Sitoleux was the artistic director of Christofle for many years and brought it brilliantly into the modern era in the second half of the 20th century.
