

Copper Basin - 18th Century

140 EUR

Period : 18th century

Condition : Bon état

Material : Copper

Length : 83 cm

Width : 27 cm

Description

18th century copper basin, bed warmer. In embossed copper, decorated with flowers, gadrooned lid border. The lid is fitted; with rolled edge on wrought iron stiffener. The socket is twisted wrought iron. The handle is old but probably not original. The copper rivets are recent. Good general condition. Some deformations related to age and use. See photos
