Description

Emil Stejnar: 9-arm wall or ceiling light in gilded brass, known as "Dandelion" or "Snowflake" for the Austrian company Rupert Nikoll. A 1970s edition, never used, this light fixture is still in its original packaging. Two sets of bulbs are included to allow for the most suitable finish: Gold (LED) or Matte (incandescent). Mixing the two types of bulbs often creates an interesting effect! Diameter 45 cm x Height 24 cm. Please note: Wall mounting is perfectly possible, but there will be a gap of approximately 8 mm between the wall and the base.
