More than a light piece of furniture, it is a floral composition painted with varnish on a black background, bringing together 9 different bouquets of flowers, (3 per level) on this corner shelf from black lacquered wood with golden ornaments. Light piece of furniture (620gr), handy, and very neat. Good condition, there are no fixings, right wall of 3rd level shows a trace of gluing, otherwise everything is impeccable, little wear, original varnish, superb bouquets.
