Description

Amber blown glass pendant light - Italian work, 20th century
Elegant Italian pendant light in amber-colored blown glass, mounted on a wrought iron structure. Its organic design, with generous volumes, recalls the artisanal productions of southern Italy. It diffuses a soft and warm light, perfect for creating a refined atmosphere. Italian work dating from the 20th century, this piece combines vintage charm and traditional know-how. Origin: Italy
Period: 20th century
Materials: Blown glass and wrought iron
Dimensions: Height 44 cm x Diameter 22 cm
Condition: Good condition, working electricity (to be confirmed)
Careful packaging and shipping possible. Do not hesitate to contact me for any additional information or photos.
