

Swiss Music Box

1 100 EUR

Period : 19th century

Condition : Très bon état

Material : Wood marquetry

Width : 47 cm

Height : 14,5 cm

Depth : 17 cm

Description

We present this second Swiss music box from the 19th century in working condition. No broken teeth on the comb, which is very important. Model box, it must have eight tunes in total but unfortunately it has lost the cardboard inside on the back of the lid where all the different songs were described. It would probably need adjustment, it is sold in its original condition, it has not undergone any restoration or transformation. Delivery extra (E25)
