Naturalist Frame In Gilded Bronze Pomponne With Ivy Foliage

350 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Width : 22 cm

Height : 37 cm

Description

Here is a large model of a naturalistic frame in an arc of a circle or half moon in gilded pomponne bronze from the end of the 19th century. It is entirely decorated with climbing ivy leaves in a very pleasant composition and very much in the spirit of the beginnings of the more refined and elaborate style which would become Art Nouveau.
