

Shabby Chic Oak Chest Of Drawers (renovated)

380 EUR

Period : 20th century

Condition : Restauré par notre atelier

Description

Shabby chic chest of drawers in solid oak with three drawers. It has been completely renovated: cleaned, sanded and then protected with a colorless wax to keep the natural blondness and patina of the wood. Its original handles, in solid brass, have also been cleaned. Two small losses of veneer and stains on the top are visible in photos. This shabby chic chest of drawers is certainly full of charm with its floral patterns carved both on the drawers but also on its uprights. It will bring romantic softness to your interior. Dimensions: L95 x D45 x H84. Drawers (3): L75 x H14.
