Description

COD 11249 French side table from the second half of the 20th century. Furniture in the Retour D'Egypte style, veneered in thuja root, with beech elements, richly adorned with gilded and chiselled metal decorations. Top in marble of good size and service, ideal for displaying marble or bronze sculptures or vases with flowers. Side table of excellent proportions, good utility and pleasant decoration. Furniture resting on zoomorphic feet, the base is connected to the top via four columns with caryatid figures (see photo) typical of the French style. It has some small signs of aging, structurally sound and solid, overall in good condition. As each of our items will be accompanied by a certificate of authenticity and guarantee as well as photographic documentation. Visit our website
