

Terracotta Bust After Augustin Pajou, Countess Of Barry

950 EUR

Period : 20th century

Condition : Bon état

Material : Terracotta

Height : 60

Description

Elegant terracotta bust depicting the Countess du Barry, mistress of King Louis XV, after the work of the famous sculptor Augustin Pajou (1730-1809). The sculptural work highlights the delicacy of the features and the elegance of the hairstyle, typical of female representations of the period. The finely sculpted drapery adds a touch of movement and realism, while the trompe l'oeil marble base gives the whole a remarkable presence.
