Description

Rectangular-shaped clock in enameled silver and cabochon gemstones. The clock or desk clock is decorated with scroll and foliage motifs. The dial with Roman numerals and its pendulum is framed by two medieval figures wearing armor and enhanced with enamel. An enameled eagle completes this composition. The clock rests on four feet. The back of the clock features the same decorative repertoire of scrolls. Viennese work from the second half of the 19th century. Circa 1870. LEARN MORE
