

1970s Crystal Lamp

110 EUR

Period : 20th century

Condition : Bon état

Material : Crystal

Height : 38 cm avec la douille

Description

Crystal lamp with black thread inclusions. The model is very original: the base draws an arabesque. The light highlights the design and transparency of the crystal. Original electrification in good working order. Perfect condition. Lamp with a creative design from the 1970s. Shipping costs to France by Colissimo with tracking: 30 euros (linked to the care taken in packaging as it is fragile). Height with socket: 38 cm
