

Pair Of Karge Moors Sculpted And Lacquered

2 400 EUR

Period : 19th century

Condition : Très bon état

Material : Painted wood

Height : 177

Description

Beautiful pair of large Moors (him and her) from the end of the 19th century lacquered in shades of light sugar paper and ochre, meccano and gilded. The two Moors, with plastically different poses, each support a richly carved 6-light finale. Total height 177 cm. The last electrical system needs to be reviewed.
