Description

France / 1850 / Monastery bench / solid elm wood / Rustic / Mid-Century

Stunning long wooden bench made in the 19th century in France. This spacious 3.5 meter long bench was crafted from solid elm wood with a warm honey color and natural finish.

Crafted from high-quality, durable wood, the bench features a beautifully finished wooden top that showcases the natural grain and texture, adding warmth and character to your environment. Due to its brutalist design and its warm rich color and patina this bench is very decorative.

Its spacious design comfortably accommodates

multiple people, making it perfect for family gatherings, outdoor barbecues, or simply enjoying a quiet moment.

The sturdy construction ensures stability and longevity, while the timeless aesthetic complements a variety of interior styles, from farmhouse to mid-century modern.

We have two of these long monastery benches in our collection. Both benches show minor and normal traces of use as you can see on the pictures.
