Description

Carved oak wood sculpture representing a descent from the cross. Beautiful expression of the characters even if time has done its work and the reliefs are a little erased. The work of the drapes is interesting. On the back, a hook to be able to hang it but it also stands up on its own. The oak has a fairly light patina, well gilded. Most certainly Flanders, period late 16th, early 17th century. Delivery 18 euros in France, 35 euros in the EU and 100 euros rest of the world.
