Description

Beautiful display case in black lacquered wood, a glass door with black marble top, two shelves with black lacquered noses, brass fillets. The thick door with its frame of brass palmettes on rosewood in frame, closed by a discreet lock, the sides with the front upright in chamfer in ressaults, the side cheeks decorated with worked bronze fillets and brass frame, mounted on oak and well designed this Parisians du Feaubourg furniture has all the advantages of enhancement and practicality. Decorative by the richness of its ornaments in the purest Second Empire style. Both simple and elegant, this piece of furniture has everything to seduce because it is easy to place thanks to its contained dimensions. It is useful for a living room to display beautiful objects, a dining room to store plates or bottles...
