Description

Painting on fabric from the 19th century representing the portrait of the wife of a Chinese dignitary. Very beautiful work of good size, height 204 cm, with the representation of a young woman of high rank with a very beautiful decoration of the four-clawed dragon on her dress. Colors remained very fresh and very good condition of the fabric in general remained rolled for many years, no folds. Very good family provenance of a French officer of the 19th century. Note the finesse of the features of the very expressive face and the magnificent dress decorated with rich and varied decorations. Possibility of sending in France and worldwide by secure and insured package with order tracking. Invoice and certificate provided.
