### Description

Elegant French Louis XVI-style display cabinet from the mid-19th century, crafted from fine bois de rose and adorned with refined geometric inlays. Its tall and narrow design makes it perfect for smaller spaces, combining both elegance and functionality. The structure is divided into three sections: Upper section with two glass doors, ideal for displaying valuable objects. Central section with a drawer beneath the top, perfect for storing small accessories. Lower section with a closed door, providing discreet storage. Era: Mid-19th century Material: Bois de rose, geometric inlays Dimensions: 42x37x167h cm SKU: 16999
