Description

Elegant pair of French Empire-style armchairs from the mid-1800s, crafted from finely carved solid walnut. These armchairs feature an open-back design, characteristic of the period, with intricate sculpted details that highlight their refinement and artisanal craftsmanship. The upholstered seat, covered in an exquisite green fabric, is adorned with gold decorations, adding a touch of luxury and distinction. With their solid structure and harmonious lines, these antique armchairs are perfect for classic interiors, elegant living rooms, or prestigious studies. Era: Mid-19th century Material: Solid walnut, green fabric with gold decorations Dimensions: 51x53x86h cm SKU: 16975
