Description

Geometric marble clock with color contrasts. The 8-sided dial has a domed glass. The aesthetics of the clock, all in geometric lines, are reinforced by the contrast of the greyhound with its organic shape in gilded metal. The greyhound is an emblematic animal of the Art Deco period. It was used to represent speed, grace, elegance, excellence, beauty... the use of its image is typical of this period. The mechanism is complete with pendulum, bell, winding key. It works but has not been revised. POSSIBILITY OF SENDING, reinforced careful packaging, registered with signature, insurance and tracking on the internet by its number (flat rate shipping costs).
