1 800 EUR

Period : 19th century

Condition : Bon état

Material : Mahogany

Width : 66 cms.

Height : 77 cms.

Depth : 39 cms.

### Description

These two small mahogany and Cuban mahogany veneer chests of drawers are Empire style and from the late 19th century. They open in the belt with a discreet, recessed drawer: two other higher drawers are furnished with two gilt bronze bowl knobs. At the front, detached columns and at the back uprights with flat pilasters. The whole has a wide spacer base, concave at the front, ending in four overhanging plates. Original anthracite gray marble top. Delivery possible, please contact us.
