

## Rare Sign? Or Signed Advertising Object

1 196 EUR

Period : 20th century

Condition : Etat d'usage

Height : 62 cm

### Description

I found nothing on this sculpture, it just says BEBE PAPA and a signature at the base. I don't think the black paint is original. There are many chips on the hat, among other things. The subject is heavy: 9.2 kilos, which means I'm not sure if it's plaster or concrete. 62 cm high.
