Description

Set of 4 silver plated egg cups made by the goldsmith Jean Boggio in the 20th century. They are all sculpted with juggling or acrobatic monkeys in different poses. Both funny and pleasant to look at, these egg cups will delight young and old alike. Jean Boggio is a jeweler and goldsmith born in 1963 in Lyon. His world is inspired by tales and legends and also by childhood dreams. The circus is one of his recurring themes. He became known in 1988 thanks to an exhibition at the Grand Palais in Paris and has since participated in numerous events. H: 10cm,
