Description

Pair of vintage 1930s electrified boat sconces. Very pretty pair of maritime origin in solid bronze electrified in a modern way for domestic use. Note the excellent condition of the set and the untouched and deliciously patinated period patina. Pair to position in an interior to create a maritime atmosphere with soft light Very great solidity of the sculpture due to the massive character of the realization ready to withstand all weather. Possibility of sending in France and worldwide by secure and insured package with order tracking. Invoice and certificate provided.
