Description

Let yourself be captivated by this vibrant work by Turini, a bold painting blending geometric shapes and bold colors in a resolutely Cubist spirit. This dynamic composition evokes everyday objects--guitar, glass, carafe--transfigured by the artist's abstraction and free gesture. Deep black structures the canvas and gives rhythm to the whole, while red, green, blue, and ochre create a striking palette. A piece full of energy and character that will appeal to lovers of 20th-century modern art.
